IS WHERE HE SAYS
"HELLO! RING OFF!"**

Court Contention Is That Legal
Residence Is Where
Phone Is.

Attempt to establish legal residence at the place where one has a residential telephone is made by the Vante Company, which is sued by Matthew Kleinrock for \$6,842 for alleged breach of contract. The action has been brought in the Orange County Supreme Court. The plaintiff says he lives in Highland Falls and that the suit is brought properly in Orange County. The defense alleges that Kleinrock lives at No. 403 Thattford

Avenue, Brooklyn, where there is a telephone in his name, and seeks to have the action tried in Brooklyn. Justice Morschauer directed the attorneys to prepare briefs on this point.

**Don't Let That Cold
Turn Into "Flu"**

Rub Musterole on the Congested Parts

Grippe, "Flu," Pneumonia all start
the same way—with a cold.

All colds are congestion and Musterole
is a simple counter-irritant
which brings circulation back to normal
and helps prevent serious developments.

Remember that messy old mustard
plaster, how it stung and blistered!
It did the work all right, but Oh, it
was a stern measure! Musterole has
all the healing properties of grand-
mother's pet remedy without the
sting and blister.

Made of pure oil of mustard, cam-
phor, menthol and other soothing ingredients,
it has been used by physicians
for years for treating "Flu,"
Lumbago, Grippe, Pleurisy, Rheumatism,
Neuralgia, Headache and
Pneumonia.

It was used in our training camps
during the "Flu" epidemic a few
years ago. The Y. M. C. A. sent
thousands of jars to France for our
soldiers over there.

At the first sign of a cold, get out

the jar of good old Musterole and rub
it gently on the congested parts. You
will feel a warm tingling glow as it
goes into the pores. That sensation
will be followed by a cooling, soothing
feeling that makes you more
comfortable right away.

If you have fever, ache all over,
take a hot bath, drink plenty of hot
water, rub on Musterole, call a doctor
and go to bed. Keep warm and get
plenty of fresh air. Those are the
best precautions you can take
against serious sickness.

Keep Musterole always handy on
your bathroom shelf. You can buy
it at any drug store.

35c and 65c in jars and tubes.
Hospital size \$3.00.
